### Ernie Pinckert Claims Victory For His Outfit

Former Trojan Star Confident of Beating Packers Saturday

With one more week of training for his team, Ernie Pinckert of the Southern California All Stars, claims his team's chances of beating the Green Bay Packers in the intersectional football game at Wrigley Field next Saturday afternoon February 4th, have been tremendously increased.

Pinckert had his team clicking well in practice the latter part of last week and he believes the workouts this week will mould his team into a perfect machine. Ernie Smith, the giant All-American tackle from the University of Southern California wonder team, has been performing marvelously in the workouts at the Jefferson high school field. Another player who has looked good is Russ "Rachors" Saunders. The way he has been carrying the ball in practice has caused Pinckert to predict that the former Trojan will score a couple of times against the Packers.

Coach "Curly" Lambeau and his Green Bay team were tickled to postpone the contest from last Sunday until Saturday. They feel that they will be able to function better on a dry field where they can open up.

"We were ready to play in the rain, but I know we can show the fans real football on a dry field," claimed Lambeau. "The fans around Los Angeles haven't seen a real pro football team in action and I want to be able to open up and show the brand we play in the National League."

"This extra week of practice may help Erny Pinckert Roy Baker and their team functioning better but it also will be of benefit to us. The practice session will allow "Red" Grange to work into our plays."

"Grange was doing well in practice last week but the longer you play together the better you can work. Grange plans to make this his final football game and he wants it to be a good one."

"I know the fans want to see the famous 'redhead' at his best and the players on the team will do all in their power to get him out in the open. Once he is in the clear the fans will see a broken field runner who really deserves the name of the 'Galloping Ghost'."

Officials of the Second Division Association of the A. E. F. and the Knights of Columbus, who are sponsoring the game, announce that the tickets sold for last Sunday will be honored at Wrigley Field Saturday afternoon.

Jim Thorpe, rated one of the greatest football players of all time, will be the field judge in the game Saturday. George Costello will be the referee; Voyle Brennan, umpire, and Al Tassi, head linesman.

### Leuzinger Squads Are Marine Champs

Leuzinger high school clinched the Marine League basketball championship for the varsity squads this year by defeating Gardena in the last game of the season. The Hawthorne boys cleaned up on the series by winning six straight games. The Leuzinger midget D squad also finished as champions of their division.
